MVP SPORTSPLEX - Annex Building (Upper Level)

Chronic Pain Seminar

with Dr. Austin Marcolina

4035 Burton St. SE - Grand Rapids, MI 49546
(Annex Building located just past the MVP Sportsplex)
-this event is free of charge-

Do you have neck, back, or joint pain that has been ongoing for more than three months? You're not alone. Over 50 million Americans are afflicted with chronic pain and most cite spine or joint related problems as their main concern. Please join Dr. Austin Marcolina of Michigan Pain Consultants as he discusses common causes of spine and joint pain, as well as the preventative and treatment options available to you.
